Herman Story & Desparada Wines hail from Paso Robles, CA. The dynamic duo Russel From (herman story) & Vaila Esh (desparada) have been quietly crafting world class wines since 2001, focusing on explosive, powerhouse flavors sourced from 30+ vineyards. Last year Robert Parker rated 15 of their wines at 92+ points. At 335 we are thrilled to call both of these immensely talented winemakers our great friends. Their wines have taken over our menu tonight, we hope you enjoy!
